JETFIRE[®]

A Unit of Icon Technosys Pvt. Ltd.

JetFire
A Unit of Icon Technosys Pvt Ltd

Incepted in the year 2011, JETFIRE Tools has emerged as foremost manufacturers, Exporters and suppliers of superior quality gardening, horticulture, agriculture and hand tools. Being an ISO 9001:2015 & GMP certified organization, we offer a voluminous range of high quality tools right from simple trowel set, pruners, secateurs, hedge cutters, etc. These tools are manufactured in our high-tech manufacturing unit which is managed by a diligent team of experts.

Under the able leadership of our Chairman whose constant efforts have earned steeply rising turnover that enabled us to engrave a niche in the industry. His exceptional way of addressing queries of the client has thereby helped us offering qualitative range. Under his guidance we have also earned laudable client base across the world.

Our workforce is completely aware of industry requirements that further help us in manufacturing and Exportersing our assortment to our global clients. Over the years our unrelenting efforts have made us one of the prominent manufacturers of hand tools in the country.

JetFire is a registered brand of Icon Technosys Pvt Ltd is a pioneer in superior quality agricultural implements like Trowel Set, Secateurs, Hoes, shovels, rake, etc which cater to the needs of horticulture and agriculture sector. All our production done in expert supervision to produce reliable and efficient product which is gradually becoming the first choice of farmers and garden lovers.

With a legacy of serving Indian farmers, gardeners, and garden lovers for more than 15 years. We are one the emerging horticulture and agriculture tools brand becoming the first choice of Indians due to our low pricing, sturdy make and durable products.

Whether you are starting a new garden from a fresh plot or are developing an existing garden you have acquired, it will always involve a certain amount of care. To help you be as efficient as possible in the garden you will require the right gardening tools for the right job. Many of these core tools will be in constant use so choosing good quality, reliable equipment that is lightweight and comfortable to use is important.

Product Portfolio

We manufacture and Exporters a wide assortment of premium quality gardening, horticulture and agriculture tools and allied products that find extensive usage in host of industries. Our entire gamut is fabricated using qualitative raw material drop forged carbon steel, cast iron, wood and others that are sourced from verified vendors. Our gamut is categorized as trowel set, secateurs, hedge shears, and other garden and horticulture Accessories.

Our comprehensive range of tools are reckoned for the following features:

- Corrosion Resistant
